Brewing Tips to Make a Delicious Coffee Cup with the Splendid SEASONS Coffee :

ESPRESSO

Use fine-grind Coffee Powder, tamp the grounds evenly and firmly, aim for a 25-30 second extraction for a double shot, then pour and enjoy.

COLD BREW

Use a coarse grind coffee, steep the coffee in cold water for 12-24hours in the refrigerator, strain through a fine mesh sieve or coffee filter, dilute with water or milk to taste, and enjoy over ice.

SIMPLE BLACK COFFEE

Use a medium grind one to two tablespoons of Coffee Powder per one cup (175ml / 0 Oz) of boiled water, brew with your preferred method, then pour and enjoy.

AEROPRESS

Use a fine to medium-fine grind, water at 80-85°C, stir for 10 seconds, steep for 20-30 seconds, press the plunger slowly and
